Visit our website at <http://www.crane.navy.mil/whatwedo/TechnicalCapabilities.asp> to learn more about our technical capabilities.

Covering nearly 100 square miles of beautiful rolling wooded hills in southern Indiana, NSWC Crane is the region's largest industrial employer and the state's largest concentration of scientists, engineers, and technical personnel. Our Navy base is in a rural setting conveniently located near Bloomington, Indiana, offering cultural diversity, outdoor recreation, athletic events, art galleries, shopping, festivals, musical events, and more—truly the best of both worlds. We invite you to learn more about us by visiting our website at <http://www.Crane.Navy.mil>.

*Announcement valid August 17 through December 11, 2009 – Jobs filled between Oct 2009 and June 1, 2010*

## Harnessing the Power of Technology for the Warfighter
