RE: Income Survey for City of Loogootee

Dear Resident:

The City of Loogootee is conducting an income survey of water utility customers in order to determine if the City is eligible for grant funds from the Community Development Block Grant Program.

If the survey results reveal that the City is eligible for grant funding, the City will apply to the Indiana Office of Community and Rural Affairs (OCRA) for improvements with the existing water utility. Without your help, the City cannot successfully undertake this process.

A survey form is on the reverse side of this letter. Please complete and return it in the enclosed pre-addressed envelope prior to March 15, 2010. The income survey form is confidential and does not request the name or address of the resident being surveyed. You simply need to complete the survey by responding to all of the questions on that form.

If you have any questions about this survey, you may contact the Southern Indiana Development Commission at (812)295-3707, or, if you wish to contact the Mayor, you may call (812)295-4770. Again, your cooperation with this matter is greatly appreciated and will be beneficial to the residents of the City of Loogootee. Thank you for your help.

Sincerely,

Don Bowling  
Mayor  
City of Loogootee
